

March 24, 2020

Lincoln Youth Football (LYF) League Extended Family,

In a collaborative decision with Eric Crouch and ARQ, the **LYF Board of Directors has decided to cancel our spring 7-on-7 football season**. The registration website has been closed. We will be fully refunding all registrations in the coming days. The LYF leadership is disappointed to not offer 7v7 this year, but we felt it was the right thing to do. Instead, we will focus on our fall football season and maintain our partnership with Eric Crouch and ARQ for the future.

Our fall youth football season, including tackle and flex football, is still on as scheduled. The fall season starts on August 6, 2020. We still have no reason to believe at this time that COVID-19 will impact our August 6 start date. Therefore, we are planning our regular season as usual. **Registration opens on April 1, 2020.**

The LYF League's top concern is the health and safety of our players, families, volunteers, coaches, sponsors, and staff. We urge everyone to observe and abide by the Centers of Disease Control (CDC) and governmental recommendations of staying home, avoiding travel, and social distancing. Let's do our part to avoid spreading this virus.

As before, the LYF Board of Directors is keeping a close eye on the situation. We will keep everyone informed to the best of our ability. Rest assured that we are eagerly anticipating a healthy fall football season in August!

Sincerely,

Joel Cramer
President

Mike Lemanu
Vice President

Jim Sandman
Secretary/Treasurer

Mike Selvage
League Commissioner
